Subject - Two octroi detectives on Rs 15+5 p m each for Tumkur town Municipality to prevent smuggling of octroiable goods

Sir,

In forwarding herewith in original, the connected records received from the President, Town Municipal council, Tumkur on the above subject, I have the honour to state as follows

The President, states that though provision was made for the appointment of a detective in the sanctioned Budget Estimates of this Municipality during the year 1940-41, the council wanted first to examine the difference it would make in the realisations of octroi in-come without a detective and ~~have~~ then obtain sanction of Government to the appointment, if necessary As there is considerable difference in the income noted in the margin* when the detectives were employed during the year 1939-40 and when no detectives were employed during the year 1940-41, the council have resolved at their meeting held on 12-5-1941, that two detectives on Rs 15 + 5 be appointed during the current year to prevent smuggling and improve the finances of the Municipality under this head

When no detectives were appointed in 1940-41	Rs 7370/-
When two detectives were appointed for 6 months in 1939-40	Rs 9465/-

In these circumstances, I request that sanction Government may be kindly obtained to the resolution of the [redacted]uncil

for the appointment of the said detectives, since necessary provision has been made in the sanctioned Budget estimates of this municipality in this behalf during the current year

I have the honour to be,
Sir,
